Sir

I have the honour to
State that the Appremeya Swamy Temple
at Maher, in the Kolaramapatna Taluk, owns
a Garden known as the Jayanthi Tope in
Markonyakanhalli Village of the same
Taluk. The Garden is 27 acres 26 Guntas
in extent with an assessment of Rs. 87. 4
and is entirely planted up with Coconut
Trees. It was leased out in 1891 to —

to Bora Linga Gowda and Masthi Gowda for a term of 5 years for an annual rent of Rs 325. The terms of the lease, which expired at the end of Sarvari, contained no provision for the planting of fresh trees or for the improvement of the garden by the lessee and consequently the trees that died during the past few years have not been substituted by fresh ones and the garden has deteriorated to a large extent. The absence of interest in the temple affairs by the Dharmadarsis and the want of effective supervision have also contributed to the deterioration of the garden. In these circumstances the Amildar apprehends a large fall in the rent when the lease has to be renewed.

Under these circumstances the Amildar and the Assistant Commissioner are of opinion that the best thing to do in the interest of the temple would be to

the garden and invest the proceeds either in the Government Savings Bank or otherwise for the benefit of the Temple. Offers to the extent of Rs 5000/ have been received for the garden and, the Amildar has informed me in person that he can manage to get as much as Rs 7000/ or more for it, if it were sold by auction. The Amildar is also of opinion that no one would take up the lease of the garden subject to the condition of maintaining it in good condition by planting fresh trees in the place of those that die and that without any such condition and with no body taking unselfish interest in the management of the Temple property, the garden is sure to deteriorate and lose its value in course of time.

I, therefore, request that the sanction of Government may be accorded for the sale of the garden and the investment of the sale proceeds in the Government Savings Bank or in any other manner in the name of the Temple and for its benefit.

I have the honor to be
Sir
Your most obedient servant
